

Didcot Garden Town

Didcot has been chosen by the Government to be a new 'Garden Town'.

What does this mean for the town? What does this mean for you? We want you to help decide.

The project is a unique opportunity to make Didcot a more green and pleasant place to live and work.

In addition to supporting 20,000 new jobs and 15,000 new homes, we'll be exploring how the town can be improved to benefit everyone.
